Træstolpe

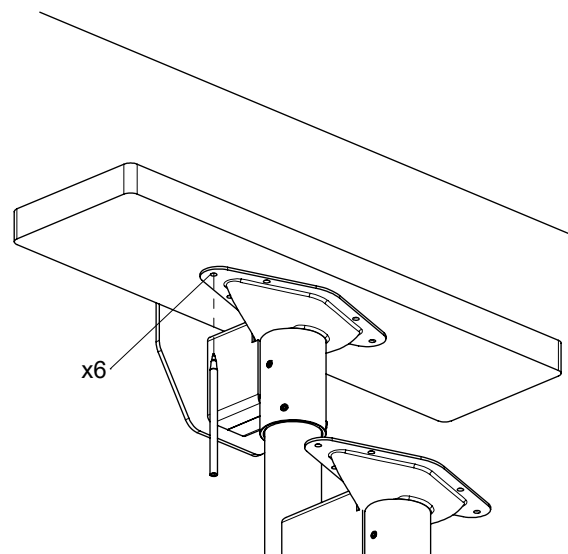

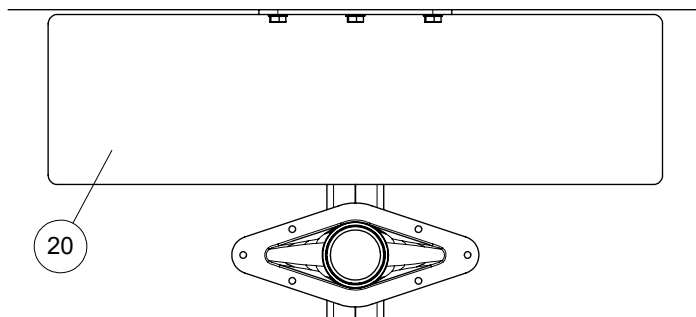

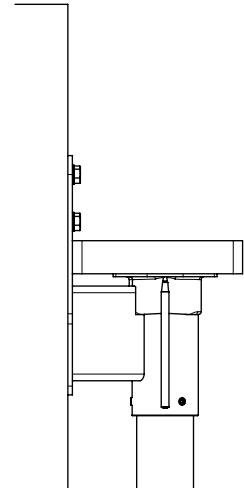

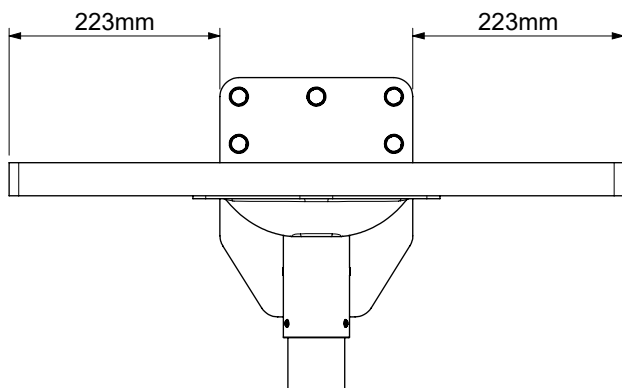

This technical drawing shows a vertical assembly of eight diamond-shaped components. Each component features a central circular opening and is secured by four screws. The components are aligned along a central vertical axis, with a pair of parallel lines running through the center of the entire stack. The top of the assembly is connected to a horizontal structure, likely a ceiling or support beam, as indicated by the partial view of a beam and a screw at the very top of the page.
